

Due to recent events and information concerning the current status of the COVID-19 coronavirus, the Junior Volleyball Association is recommending that all JVA insured events (practices and tournaments) scheduled through the next 14 days, March 26th, be postponed or cancelled to ensure the welfare and safety of the athletes, spectators and staff. We are monitoring the situation on a daily basis and will provide periodic updates as information becomes available.

To help protect your staff, your members and their families, [we recommend the following protections](#) recommended by the Center for Disease Control and Prevention during pandemic flu outbreaks.

JVA World Challenge

We continue to monitor the spread of the CoronaVirus (COVID-19) daily. As of right now, the 2020 JVA World Challenge is scheduled as planned. We will reassess the status of the JVA World Challenge by Monday, March 23rd and make a final decision. However if there are any updates before then, we will promptly notify all participating teams. In the meantime, we encourage everyone to follow precautions to keep yourself healthy. More updates and information are available [HERE](#).
